PROFESSIONAL EXPERIENCE

Videographer / Editor | Pineapple Pixels Media Sdn Bhd — **Jul 2026 – Present**

- Shoot and edit video content, handling both on-location videography and post-production through to final delivery.
- Produce brand and marketing videos tailored for online platforms, using CapCut and DaVinci Resolve.
- Work with the team on concepts, scripting and shot planning to keep content on brief and on brand.
- Manage multiple projects at once while meeting deadlines.

Video Editor | BapaBros — **Dec 2024 – Feb 2026**

- Edited and produced video content in CapCut and DaVinci Resolve, shaping raw footage into polished videos with smooth pacing and clear storytelling.
- Applied transitions, audio balancing and visual enhancements to lift overall video quality.
- Created content tailored for online platforms, including AI-assisted video and brand-focused marketing content.
- Managed around 10 editing projects a week and 4 major video projects a month, meeting deadlines consistently.
- Maintained close attention to cutting, timing and visual continuity across all projects.

PROJECTS

BapaBros Slapstick Series — **Apr 2025 – Feb 2026**

Writer, director and editor of an ongoing slapstick comedy series for the BapaBros YouTube channel

- Wrote and directed scripts, and shot and edited the episodes, focusing on comedic timing, visual storytelling and audience engagement.
- Collaborated on content ideas and execution, contributing to creative direction and keeping episodes consistent with the channel's style.
- Optimised videos for online platforms through pacing, sound design and visual flow to improve viewer retention.

PIC Brand Marketing — **Jul 2026 – Current**

Brand marketing video content

- Scripted, filmed and edited promotional video content to support the brand's marketing.
- Developed visuals and messaging that kept content consistent with the brand's identity and audience.
- Optimised content for online platforms to improve reach and engagement.

EDUCATION

Bachelor of Computer Science | Sep 2021 – Jun 2024 | University of Leicester
